TECHNICAL SKILLS

- Networking: LAN, WAN, IP Addressing, Subnetting, Switching Fundamentals
- Hardware: CPU, RAM, Storage Devices, Motherboards, PC Assembly & Troubleshooting
- Operating Systems: Windows OS
- Programming & Websites: Java, HTML, CSS, JavaScript
- Documentation: Network Diagrams, Technical Reporting, Structured Problem Analysis

EDUCATION

- High School:**
De Villiers Graaff High School
2020-2022
- University:**
Cape Peninsula University of Technology
2024- Present

ELAM MTSHWANE

ICT Student

PERSONAL PROFILE

I am a driven ICT Communication Networks student with technical foundation in networking principles, hardware systems, and IT infrastructure. I am looking for a networking work intergrate learning, where I may be able to apply and learn knowledge of LAN/WAN technologies, IP addressing, switching concepts, and troubleshooting in a professional environment. I am an analytical thinker, structured problem-solver, technical documentation skills, and the ability to perform effectively in fast-paced team settings.

PROJECTS

- NON-PROFIT ORGANISATION WEBSITE**
 - Designed and developed a basic website called Ball4All for a non-profit organisation as part of a first-year academic project.
 - Structured web pages using HTML and CSS to present organisational information clearly.
 - Improved understanding of web development, user-friendly design, and basic front-end implementation.
- NETWORK DESIGN & CONFIGURATION (CISCO PACKET TRACER)**
 - Designed and simulated a network topology using Cisco Packet Tracer.
 - Configured routers, switches, VLANs, and IP addressing to enable communication between multiple networks.
 - Performed troubleshooting and tested connectivity to ensure network functionality.
- SANREN NETWORKING CHALLENGE**
 - Participated in the SANReN Networking Challenge focused on solving real-world networking problems.
 - Collaborated with a team to analyse network scenarios and propose technical solutions.
 - Strengthened practical skills in networking concepts, problem-solving, and teamwork.
